

Transparencies™

NEW!

Expect more from your floor
Silikal America

Permanent Decorative Stains

Nothing lasts forever and, truthfully, permanence is relative. Silikal Transparencies™ introduce a new concept to decorative concrete stains...permanence. We aren't saying that they will last forever, but they will outperform any other concrete stain method available to date.

Additionally, Silikal Transparencies™ provide an easy to clean, non-porous, sealed surface... a feature other stains can't touch. Think about it a concrete stain that is stain resistant too!

Installation turn-arounds are quick and the floor is ready to use within an hour after our licensed installer walks off the floor.

What more can you ask for? Silikal Transparencies™...**Expect more from your concrete stains.**
