RE: VOC Compliance

To Whom It May Concern:

This will certify that the Silikal flooring systems meets SCAQMD Rule 1113 standards of less than 100 grams per liter VOC for industrial maintenance coatings.

The actual VOC is less than 15 grams/liter when tested in accordance with ASTM D 2369-07, and is in compliance with the VOC and chemical component limits of Green Seal requirements.

Please feel free to contact us if you have any questions.

Sincerely,

AJ Marchetta | CSI | LEED®AP BD+C
